

Charity Number: SCO38926

Do you wear an NHS hearing aid?

April - June 2016

Come along to our **free** local drop ins to:

- Pick up your batteries
- Get your tubing changed (this should be done every 4-6 months)
- Find out how to care for your hearing aids
- Learn about different local services available to you
- Learning about different products and equipment that can help you hear better (telephones, doorbells, TV/Radio listeners and much more!)

Please note we are unable to re-tube open fit hearing aids (thin wire with tip/dome in ear).

Home/care home/sheltered housing/hospital visits are available; please contact us for more information.
